

Haley Hopwood CFA

Institutional Portfolio Manager, PH&N Institutional, RBC Global Asset Management

Haley is an institutional portfolio manager at RBC GAM Inc. In this role, she works closely with clients, including pension plans, foundations and universities to manage a wide range of fixed income and multi-asset class investment mandates. Prior to joining the institutional team in 2012, Haley spent two years with the RBC Global Asset Management Inc.'s advisor channel sales group, where she helped promote PH&N and RBC mutual funds among financial advisors and brokers across B.C.
