

# Myen Lim

Associate Principal, The Targeted Strategies Group

Myen has over twenty years of accumulated experience in insurance, tax, estate & financial planning. Myen is a CPA, CA and was a tax practitioner at one of the Big Four Accounting Firms before she became the head of tax for a multi-national company.

As a Certified Financial Planner and a Family Enterprise Advisor, she also has first-hand experience advising family businesses and their owners in the area of tax, estate planning, and business succession.

Myen is a frequent guest speaker for Financial Executives International (Canada), a leadership platform for CFOs and senior finance executives in Canada.
